WORK EXPERIENCE

[Apr 2024 – May 2024]

Assistant Internship at Student Clubs near Dean of Students office at Western Balkans University

Western Balkans University

City: Tirana | **Country:** Albania

During my time as an assistant in the Dean of Students office, specifically within the Student Clubs department, I supported the coordination of club activities and events. I assisted with editing videos marketing all the students campus life with activities. This experience allowed me to learn about the diverse interests of the student body and the inner workings of student organizations.

[Sep 2024]

Biomedical Engineer Internship

Hygeia Hospital

City: Tirana | **Country:** Albania

This month, I was undertaking an internship as a biomedical engineering student at Hygeia Hospital in Tirana, Albania. During this experience, I gained hands-on knowledge about the maintenance and calibration of medical devices, as well as learned about the hospital's technology infrastructure. This opportunity allowed me to apply my theoretical studies to real-world medical equipment, enhancing both my technical skills and practical understanding.

VOLUNTEERING

[9 Nov 2024]

Translator Tirana

As a volunteer translator near Ebla Company, I assisted individuals interested in pursuing studies abroad by translating information from the University of Bedfordshire in the UK. This role allowed me to support aspiring students in understanding academic opportunities and requirements, fostering their educational aspirations.
